Southridge Commerce Park contains over 1.2 million square feet and twelve buildings and is located in Orlando Central Park along the Beachline Expressway between John Young Parkway and the Florida Turnpike.

EastGroup's World Houston International Business Center 23 in Houston, Texas, won the Southwest Region TOBY competition and was also a contender for the coveted International Award.

The BOMA International TOBY® Awards recognize excellence in office building management and operations worldwide. To win the international award, the office building first won both local and regional competitions. Judging was based on community impact, tenant/employee relations programs, energy management systems, accessibility for disabled people, emergency evacuation procedures, building personnel training programs, and overall quality indicators. A team of industry professionals also conducted a comprehensive building inspection.
